

SWEET SCRUB

Description: SWEET SCRUB is a specially formulated floor scrubber detergent. Designed to be low foaming when used with automatic floor machines. SWEET SCRUB demonstrates rapid soil penetration for quick removal of oils, dirt and scuff marks. SWEET SCRUB is safe to use, is solvent free, and non-corrosive. Not only does SWEET SCRUB keep foam down in recovery tanks, it also controls foul odors generated in tanks when not emptied immediately.

Physical Properties:

Type-- Water/ Detergents

Color-- Clear, amber

Weight(Density)-8.5 ppg.±0.2

Flash Point- >None

Foam- low

pH (neat)- 11.5± 0.5
